## TRUST YOUR TECHNOLOGY

JW Marriott Las Vegas and WorldVue became partners in 2021 as WorldVue was selected as the guest room entertainment provider. The main objective was to provide entertainment services with technology that caters to modern-day hotel guests from our the world. Guests preferences are ever changing as they look for versatility like at home.

"WorldVue provides a central entertainment hub for guests to view the top TV channels and streaming applications," said Kerwin LeDuff, Director of Facilities for JW Marriott Las Vegas. "That is what we wanted, a system that can do it all."

"DISH Business is proud to partner with JW Marriott and WorldVue to provide an unparalleled in-room entertainment experience that will delight guests of this striking Las Vegas property," said Amir Ahmed, SVP of Sales, DISH.

## THE SOLUTIONS

### WORLDVUE HUB™

Guests now desire the same type of entertainment options they have at their homes. WorldVue HUB™ presents popular streaming apps, on screen hotel amenities, an interactive channel guide and more.

### SMARTBOX BY DISH BUSINESS
