BY MARRIOTT

**TOWNEPLACE SUITES®**  
BY MARRIOTT

“*In today’s high-tech world, consumers select hotels that can deliver on the promise of **providing seamless experiences** that are enjoyed in their everyday lives. This includes **ease of internet connectivity** when multiple devices are in play as well as a **residential experience** with respect to guest-room entertainment including access to Netflix, HBO, YouTube, and others.*

*WorldVue delivers on this promise and provides our hotels with outstanding service and a platform resulting in **high guest satisfaction and repeat stays.**”*

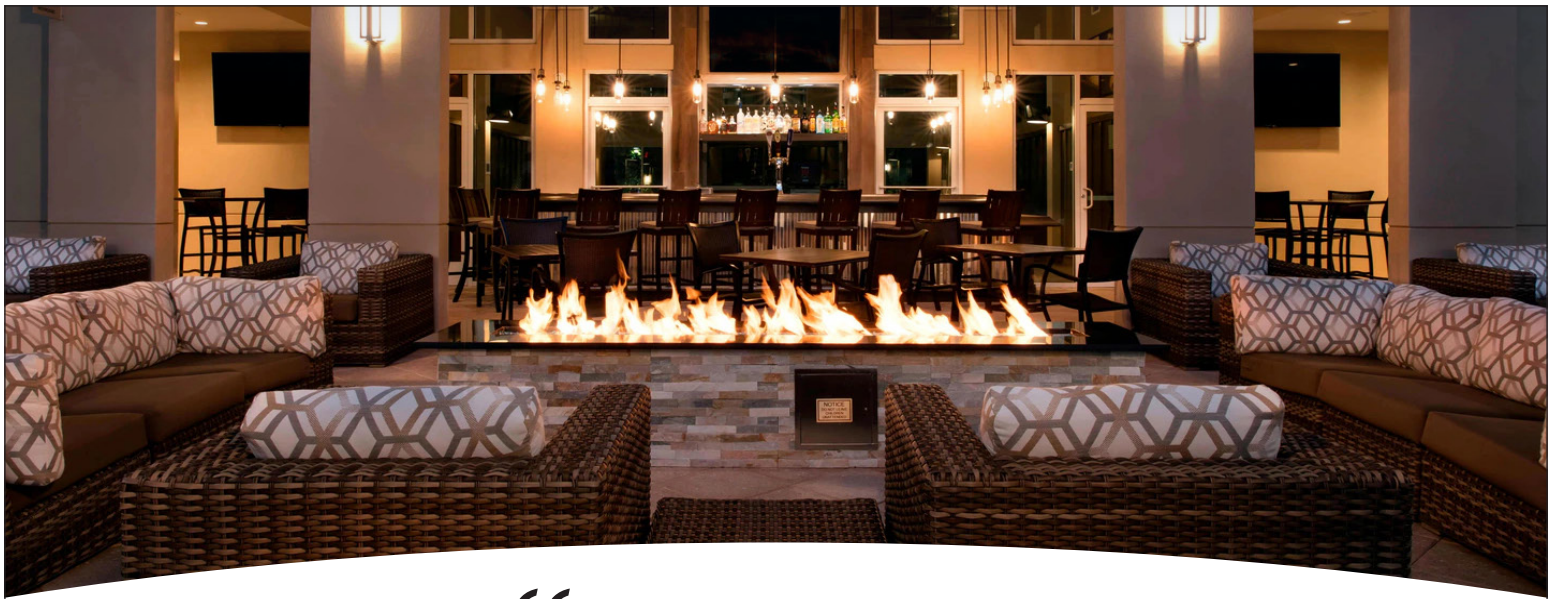

**Stuart R. Newmark, CHA**  
Operating Partner of JL Hospitality Management

SpringHill Suites and TownePlace Suites Orlando at FLAMINGO CROSSINGS® Town Center/Western Entrance encourage guests to make magical memories in Orlando.

Both hotels are family-focused, with free parking and spacious suites for a homey stay.

Exclusive technological amenities include mobile key access, digital check-in and guest-room entertainment fueled by WorldVue. Stay in touch with free, high-speed Wi-Fi and guest-room internet TV.

“ We are proud to provide **guest-room entertainment solutions** to the SpringHill Suites and TownePlace Suites Orlando at FLAMINGO CROSSINGS® Town Center/Western Entrance. **As a family-first company**, we are excited to partner with **like-minded adventure properties** that provide fun-filled stays for children and families of all ages. ”

**David Goldstone**

SVP, and Chief Customer Advocate, WorldVue
